TO: THE CITY COUNCIL
FROM: THE CITY MANAGER'S OFFICE

COUNCIL MEETING DATE
NOVEMBER 1, 1989

SUBJECT: SALE OF SURPLUS PROPERTY - DIAL-A-RICE VEHICLES

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: The City Council declare Dial-A-Ride vehicles #14 and 15 surplus property for Dial-A-Ride purposes and authorize the "sale" of these vehicles to the Parks and Recreation Department for their use for parks and recreation purposes for an amount of \$28,701.86.

BACKGROUND INFORMATION: In 1988 the City purchased two Dodge Caravan mini-vans for Dial-A-Ride purposes utilizing TDA funds. These vehicles have been less than satisfactory for use in the Dial-A-Ride program.

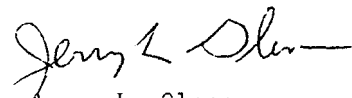

In the 1989/90 City of Lodi operating budget two vans were authorized for the Parks and Recreation Department. The vans used in Dial-A-Ride are suitable for the Parks and Recreation Department.

In order to keep a clean audit trail, we recommend Council declare the two Dodge Caravan mini-vans surplus property for Dial-A-Ride and authorize their sale to the Parks and Recreation Department for \$14,350.93 each, which was the original purchase price of the Dial-A-Ride vehicles.

Council previously authorized the purchase of four Dial-A-Ride vehicles in the 1989-90 claim. These vehicles have been purchased and are waiting CHP approval to put them into the fleet.

The sale of the vehicles was included in our 1989-90 TDA claim and has the knowledge, understanding and approval of COG.

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager
